February 24, 2013

A word from the Minister Jesse Murrah, Jr.

You've held onto it for so long. You knew it was fragile in the first place. And every time u felt it slipping away you'd go into rescue-mode. You didn't know? That HE was whispering to u each time and preparing you for the moment that was sure to come. It still seems so powerfully uncomfortable, but He was clearing a path straight to you. It's you and HIM now, run to HIM and find your comfort.

—Amen
